By Representative Robertson

2ESSB 5546 - H COMM AMD

By Committee on Regulated Substances & Gaming

1 On page 4, line 19, after "least" strike "40 percent of the active  
2 cannabis producers and 40" and insert "60 percent of the active  
3 cannabis producers and 60"

4  
5 On page 12, line 12, after "least" strike "40 percent of the  
6 active cannabis producers and 40" and insert "60 percent of the active  
7 cannabis producers and 60"

EFFECT: Increases the representation requirements for a referendum to establish the Washington State Cannabis Commission (Commission) or to modify the Commission's assessment rate on cannabis producers and cannabis producer/processors, in order to require that at least 60 percent, instead of 40 percent, of active cannabis producers and 60 percent, instead of 40 percent, of active cannabis producer/processors are represented in a referendum to determine assent or approval.
