AN ACT Relating to impaired driving; amending RCW 46.61.502, 46.61.504, 46.61.5055, 46.61.506, 46.20.308, 46.20.3101, 46.25.090, 38.38.760, and 79A.60.040; adding a new section to chapter 43.59 RCW; adding a new section to chapter 66.44 RCW; adding a new section to chapter 66.08 RCW; creating a new section; prescribing penalties; providing an effective date; and providing an expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature finds that a per se 8 0.05 blood alcohol concentration level is the standard throughout 9 10 most of the world. Norway was the first country to establish a per se 11 blood alcohol concentration limit of 0.05 in 1936. Since then, most 12 countries have adopted blood alcohol concentration limits of 0.05 or 13 lower. Eighty-four percent of the world's population lives countries with a blood alcohol concentration limit of 0.05 or lower. 14 15 Studies on the impacts of these laws around the world have found that 16 reducing the limit from 0.08 to 0.05 results in an average reduction 17 fatalities involving alcohol-impaired driving by 11 percent 18 annually. The national highway traffic safety administration found 19 that a driver's risk of crash involvement at 0.05 is double the rate 20 of a sober driver, which increases to three times the risk at 0.07.

- 1 (2) The legislature finds and declares that 2023 was the deadliest year on Washington roads since 1990. Washington state saw 2 734 fatal crashes resulting in the death of more than 810 people. 3 Half of all fatal crashes involve a driver impaired by drugs or 4 alcohol, and the state saw a 59 percent increase in crashes involving 5 6 an impaired driver between 2019 and 2023. This alarming upward trend 7 must be addressed if Washington state is going to meet its goal of 8 target zero.
- 9 (3) The increase in Washingtonians choosing to drive while impaired points to a need to adjust Washington's impaired driving 10 laws. Utah lowered the blood alcohol concentration limit for 11 operating a motor vehicle from 0.08 to 0.05 in 2018 and found that 22 12 percent of people who drank alcohol said they changed their behavior 13 as a result of the new law. Given the increase in traffic fatalities 14 from impaired driving, the legislature declares that it is time to 15 16 keep Washington's roads safer and lower the number of fatal crashes 17 caused by impaired drivers by lowering the blood alcohol limit to 0.05. 18
- 19 **Sec. 2.** RCW 46.61.502 and 2024 c 306 s 30 are each amended to 20 read as follows:

 - (A) Where there has been no prior offense within seven years, be suspended or denied by the department for 90 days or until the person is evaluated by a substance use disorder agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a 90-day period of 24/7 sobriety program monitoring. In no circumstances shall the license suspension be for fewer than two days;
- 36 (B) Where there has been one prior offense within seven years, be
 37 revoked or denied by the department for two years or until the person

 - (C) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for three years;
 - (ii) **Penalty for alcohol concentration at least 0.15.** If the person's alcohol concentration was at least 0.15:
 - (A) Where there has been no prior offense within seven years, be revoked or denied by the department for one year or until the person is evaluated by a substance use disorder agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a one hundred twenty day period of 24/7 sobriety program monitoring. In no circumstances shall the license revocation be for fewer than four days;
 - (B) Where there has been one prior offense within seven years, be revoked or denied by the department for 900 days; or
 - (C) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years; or

 - (B) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

 - (b)(i) The department shall grant credit on a day-for-day basis for a suspension, revocation, or denial imposed under this subsection (9) for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 arising out of the same incident.
 - (ii) If a person has already served a suspension, revocation, or denial under RCW 46.20.3101 for a period equal to or greater than the period imposed under this subsection (9), the department shall provide notice of full credit, shall provide for no further suspension or revocation under this subsection provided the person has completed the requirements under RCW 46.20.311 and paid the probationary license fee under RCW 46.20.355 by the date specified in the notice under RCW 46.20.245, and shall impose no additional reissue fees for this credit.

(c) Upon receipt of a notice from the court under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under this subsection due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

- (d) Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.
- (e) For purposes of this subsection (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.
- (10) **Probation of driving privilege.** After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to drive required by this section, the department shall place the offender's driving privilege in probationary status pursuant to RCW 46.20.355.
- Conditions of probation. (a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes up to 364 days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive; (ii) not driving a motor vehicle within this state without proof of liability insurance or other financial responsibility for the future pursuant to RCW 46.30.020; (iii) not driving or being in physical control of a motor vehicle within this state while having an alcohol concentration of ((0.08)) or more or a THC concentration of 5.00 nanograms per milliliter of whole blood or higher, within two hours after driving; (iv) not refusing to submit to a test of his or her breath or blood to determine alcohol or drug concentration upon request of a law

- enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug; and (v) not driving a motor vehicle in this state without a functioning ignition interlock device as required by the department under RCW 46.20.720. The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer's motor vehicle, substance use disorder treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.
 - (b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the convicted person to be confined for 30 days, which shall not be suspended or deferred.
 - (c) (i) Except as provided in (c) (ii) of this subsection, for each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for 30 days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by 30 days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection. The person may apply for an ignition interlock driver's license under RCW 46.20.385 during the suspension period.
 - (ii) For each incident involving a violation of RCW 46.20.342(1)(c), the court has discretion not to impose a suspension when the person provides the court with proof that the violation has been cured within 30 days. The court is not required to notify the department of the violation unless it is not cured within 30 days.
 - (12) Waiver of electronic home monitoring. A court may waive the electronic home monitoring requirements of this chapter when:
- 35 (a) The offender does not have a dwelling, telephone service, or 36 any other necessity to operate an electronic home monitoring system. 37 However, if a court determines that an alcohol monitoring device 38 utilizing wireless reporting technology is reasonably available, the 39 court may require the person to obtain such a device during the 40 period of required electronic home monitoring;

- (b) The offender does not reside in the state of Washington; or
- (c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed 364 days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed 364 days.

- (13) Extraordinary medical placement. An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

- (b) For purposes of this section, "prima facie evidence" is evidence of sufficient circumstances that would support a logical and reasonable inference of the facts sought to be proved. In assessing whether there is sufficient evidence of the foundational facts, the court or administrative tribunal is to assume the truth of the prosecution's or department's evidence and all reasonable inferences from it in a light most favorable to the prosecution or department.
- (c) Nothing in this section shall be deemed to prevent the subject of the test from challenging the reliability or accuracy of the test, the reliability or functioning of the instrument, or any maintenance procedures. Such challenges, however, shall not preclude the admissibility of the test once the prosecution or department has made a prima facie showing of the requirements contained in (a) of this subsection. Instead, such challenges may be considered by the trier of fact in determining what weight to give to the test result.
- (5) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcohol or drug content may be performed only by a physician licensed under chapter 18.71 RCW; an osteopathic physician licensed under chapter 18.57 RCW; a registered nurse, licensed practical nurse, or advanced registered nurse practitioner licensed under chapter 18.79 RCW; a physician assistant licensed under chapter 18.71A RCW; an advanced emergency medical technician or paramedic certified under chapter 18.71 RCW; or a medical assistant-certified or medical assistant-phlebotomist certified under chapter 18.360 RCW, a person holding another credential under Title 18 RCW whose scope of practice includes performing venous blood draws, or a forensic phlebotomist certified under chapter 18.360 RCW. When the blood test is performed outside the state of Washington, the withdrawal of blood for the purpose of determining its alcohol or drug content may be performed by any person who is authorized by the out-of-state jurisdiction to perform venous blood draws. Proof of qualification to draw blood may be established through the department of health's provider credential search. This limitation shall not apply to the taking of breath specimens.

- 1 (6) When a venous blood sample is performed by a forensic 2 phlebotomist certified under chapter 18.360 RCW, it must be done 3 under the following conditions:
 - (a) If taken at the scene, it must be performed in an ambulance or aid service vehicle licensed by the department of health under chapter 18.73 RCW.
 - (b) The collection of blood samples must not interfere with the provision of essential medical care.
- 9 (c) The blood sample must be collected using sterile equipment 10 and the skin area of puncture must be thoroughly cleansed and 11 disinfected.
- 12 (d) The person whose blood is collected must be seated, reclined, 13 or lying down when the blood is collected.
 - (7) The person tested may have a licensed or certified health care provider listed in subsection (5) of this section, or a qualified technician, chemist, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The test will be admissible if the person establishes the general acceptability of the testing technique or method. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.
- 24 (8) Upon the request of the person who shall submit to a test or 25 tests at the request of a law enforcement officer, full information 26 concerning the test or tests shall be made available to him or her or 27 his or her attorney.
- 28 **Sec. 6.** RCW 46.20.308 and 2022 c 16 s 38 are each amended to 29 read as follows:
 - (1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath for the purpose of determining the alcohol concentration in his or her breath if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503.

- 1 (2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to 2 believe the person to have been driving or in actual physical control 3 of a motor vehicle within this state while under the influence of 4 intoxicating liquor or any drug or the person to have been driving or 5 6 in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system 7 and being under the age of ((twenty-one)) 21. Prior to administering 8 a breath test pursuant to this section, the officer shall inform the 9 person of his or her right under this section to refuse the breath 10 11 test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 12 46.61.506. The officer shall warn the driver, in substantially the 13 14 following language, that:
- 15 (a) If the driver refuses to take the test, the driver's license, 16 permit, or privilege to drive will be revoked or denied for at least 17 one year; and
 - (b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and
 - (c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ((ninety)) 90 days if:
 - (i) The driver is age ((twenty-one)) 21 or over and the test indicates either that the alcohol concentration of the driver's breath is ((0.08)) 0.05 or more; or
 - (ii) The driver is under age ((twenty-one)) 21 and the test indicates either that the alcohol concentration of the driver's breath is 0.02 or more; or
- 30 (iii) The driver is under age (($\frac{\text{twenty-one}}{\text{one}}$)) $\underline{21}$ and the driver is 31 in violation of RCW 46.61.502 or 46.61.504; and
 - (d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.
- 35 (3) If, following his or her arrest and receipt of warnings under 36 subsection (2) of this section, the person arrested exercises the 37 right, granted herein, by refusing upon the request of a law 38 enforcement officer to submit to a test or tests of his or her 39 breath, no test shall be given except as otherwise authorized by law.

- (4) Nothing in subsection (1), (2), or (3) of this section precludes a law enforcement officer from obtaining a person's blood to test for alcohol, cannabis, or any drug, pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law. Any blood drawn for the purpose of determining the person's alcohol, cannabis levels, or any drug, is drawn pursuant to this section when the officer has reasonable grounds to believe that the person is in physical control or driving a vehicle under the influence or in violation of RCW 46.61.503.
- (5) If, after arrest and after any other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is ((0.08)) 0.05 or more, or the THC concentration of the person's blood is 5.00 or more, if the person is age ((twenty-one)) 21 or over, or that the alcohol concentration of the person's breath or blood is 0.02 or more, or the THC concentration of the person's blood is above 0.00, if the person is under the age of ((twenty-one)) 21, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:
- (a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (6) of this section;
- (b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (7) of this section;
- (c) Serve notice in writing that the license or permit, if any, is a temporary license that is valid for ((thirty)) 30 days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(d) Immediately notify the department of the arrest and transmit to the department within ((seventy-two)) 72 hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by chapter 5.50 RCW that states:

- (i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of ((twenty-one)) 21 years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;
- (ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was ((0.08)) 0.05 or more, or the THC concentration of the person's blood was 5.00 or more, if the person is age ((twenty-one)) 21 or over, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person is under the age of ((twenty-one)) 21; and
- 22 (iii) Any other information that the director may require by 23 rule.
 - (6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by chapter 5.50 RCW under subsection (5)(d) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first.
 - (7) A person receiving notification under subsection (5) (b) of this section may, within seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of ((three hundred seventy-five dollars)) \$375 as part of the request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of Code Rev/AI:jlb 25 S-0539.1/25

1 the required ((three hundred seventy-five dollar)) \$375 fee, the department shall afford the person an opportunity for a hearing. The 2 3 department may waive the required ((three hundred seventy-five dollar)) \$375 fee if the person is an indigent as defined in RCW 4 10.101.010. Except as otherwise provided in this section, the hearing 5 6 is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the 7 county of the arrest, except that all or part of the hearing may, at 8 the discretion of the department, be conducted by telephone or other 9 electronic means. The hearing shall be held within ((thirty)) 30 10 days, excluding Saturdays, Sundays, and legal holidays, following the 11 12 date of timely receipt of such request for a formal hearing before the department or ((thirty)) 30 days, excluding Saturdays, Sundays, 13 and legal holidays following the date notice has been given in the 14 15 event notice is given by the department following a blood test, 16 unless otherwise agreed to by the department and the person, in which 17 case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if 18 the person is otherwise eligible for licensing. Unless otherwise 19 agreed to by the department and the person, the department must give 20 five days notice of the hearing to the person. For the purposes of 21 22 this section, the scope of the hearing shall cover the issues of 23 whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a 24 25 motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual 26 physical control of a motor vehicle within this state while having 27 28 alcohol in his or her system in a concentration of 0.02 or more, or 29 THC in his or her system in a concentration above 0.00, if the person was under the age of ((twenty-one)) 21, whether the person was placed 30 31 under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed 32 that such refusal would result in the revocation of the person's 33 license, permit, or privilege to drive, or (b) if a test or tests 34 were administered, whether the applicable requirements of 35 section were satisfied before the administration of the test or 36 tests, whether the person submitted to the test or tests, or whether 37 a test was administered pursuant to a search warrant, a valid waiver 38 39 of the warrant requirement, when exigent circumstances exist, or 40 under any other authority of law as permitted under this section, and

whether the test or tests indicated that the alcohol concentration of 1 the person's breath or blood was ((0.08)) 0.05 or more, or the THC 2 concentration of the person's blood was 5.00 or more, if the person 3 was age ((twenty-one)) 21 or over at the time of the arrest, or that 4 the alcohol concentration of the person's breath or blood was 0.02 or 5 6 more, or the THC concentration of the person's blood was above 0.00, 7 if the person was under the age of ((twenty-one)) 21 at the time of the arrest. Where a person is found to be in actual physical control 8 of a motor vehicle while under the influence of intoxicating liquor 9 or any drug or was under the age of ((twenty-one)) 21 at the time of 10 11 the arrest and was in physical control of a motor vehicle while 12 having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer 13 to apply the affirmative defense found in RCW 46.61.504(3) and 14 46.61.503(2). The driver has the burden to prove the affirmative 15 16 defense by a preponderance of the evidence. The sworn report or 17 report under a declaration authorized by chapter 5.50 RCW submitted by a law enforcement officer is prima facie evidence that the officer 18 had reasonable grounds to believe the person had been driving or was 19 in actual physical control of a motor vehicle within this state while 20 21 under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor 22 vehicle within this state while having alcohol in his or her system 23 in a concentration of 0.02 or more, or THC in his or her system in a 24 25 concentration above 0.00, and was under the age of ((twenty-one)) 21 26 and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by chapter 5.50 RCW of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within ((thirty)) 30 days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(9) (a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath test refusal, and who has not committed an offense for which he or Code Rev/AI:jlb

The stay shall not be longer than ((one hundred 7 fifty)) 150 days after the date charges are filed, or two years after 8 the date of the arrest, whichever time period is shorter. If the 9 court stays the suspension, revocation, or denial, it may impose 10 conditions on such stay. If the person is otherwise eligible for 11 12 licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for 13 the period of the stay. If a deferred prosecution treatment plan is 14 not recommended in the report made under RCW 10.05.050, or if 15 16 treatment is rejected by the court, or if the person declines to 17 accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately 18 19 direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection. 20
 - (b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.
 - (c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.
 - (10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

- 37 (4)(a) Any person who operates a vessel within this state is 38 deemed to have given consent, subject to the provisions of RCW 39 46.61.506, to a test or tests of the person's breath for the purpose Code Rev/AI:jlb 35 S-0539.1/25

 - (b) When an arrest results from an accident in which there has been serious bodily injury to another person or death or the arresting officer has reasonable grounds to believe the person was operating a vessel while under the influence of THC or any other drug, a blood test may be administered with the consent of the arrested person and a valid waiver of the warrant requirement or without the consent of the person so arrested pursuant to a search warrant or when exigent circumstances exist.
- 14 (c) Neither consent nor this section precludes a police officer 15 from obtaining a search warrant for a person's breath or blood.
- 16 (d) An arresting officer may administer field sobriety tests when 17 circumstances permit.
 - (5) The test or tests of breath must be administered pursuant to RCW 46.20.308. The officer shall warn the person that if the person refuses to take the test, the person will be issued a class 1 civil infraction under RCW 7.80.120.
- 22 (6) A violation of subsection (1) of this section is a 23 misdemeanor. A violation of subsection (2) of this section is a gross 24 misdemeanor. In addition to the statutory penalties imposed, the 25 court may order the defendant to pay restitution for any damages or 26 injuries resulting from the offense.
- 27 (7) For the purposes of this subsection, "cannabis" has the 28 meaning provided in RCW 69.50.101.
- NEW SECTION. Sec. 11. A new section is added to chapter 43.59 RCW to read as follows:
- 31 The Washington traffic safety commission shall develop and 32 implement a public information campaign related to this act. In 33 developing and implementing the public information campaign, the 34 commission must:

- 4 (4) Consider equity outcomes on overburdened communities as defined in RCW 70A.02.010; and
- (5) Ensure that at least 10 percent of the advertisements are developed in conjunction with in-state hospitality stakeholders and educate drivers about safe alternatives to driving while patronizing hospitality businesses.
- NEW SECTION. Sec. 12. A new section is added to chapter 66.44
 RCW to read as follows:

The legislature finds that current civil law relating to civil 12 liability is that a licensed commercial vendor or quasi-commercial 13 vendor owes a duty to third persons not to sell, serve, or furnish 14 15 alcohol to a person who is apparently under the influence of alcohol, 16 or who is obviously intoxicated. This current civil law is both 17 statutory and also developed in case law. The legislature further finds that civil liability to third persons under the civil law does 18 not depend upon a finding of the blood or breath alcohol 19 concentration. Therefore, nothing in this act shall be construed to 20 21 change current civil law for civil liability of a licensed commercial 22 vendor or quasi-commercial vendor.

- NEW SECTION. Sec. 13. A new section is added to chapter 66.08 RCW to read as follows:
