HB 1066 - H COMM AMD

By Committee on Consumer Protection & Business

1 On page 1, line 8, after "(1)" strike "The" and insert "Subject to
2 subsections (3) and (4) of this section, the"

3

4 On page 3, after line 28, insert the following:

5 "(3)(a) If information required to be published on the board's
6 website under this section is published on the website of the
7 department of health, the health care authority, or any other agency,
8 to avoid duplication, the board's website may reference and link to
9 the department, authority, or other agency's website publishing the
10 information.

11 (b) If information required to be published on the board's website
12 under this section is unavailable, the board, in consultation with the
13 department of health, the health care authority, and any other
14 agencies the board deems appropriate, shall report this fact to the
15 appropriate legislative committees.

16 (c) Within existing resources and subject to subsection (4) of
17 this section, the board, the department of health, and the health care
18 authority, as appropriate, shall identify and collect data that, if
19 available, would be required to be published on the board's website
20 pursuant to this section.

21 (4) All the implementation and administration of this section by
22 the board, the department of health, the health care authority, and
23 any other agencies the board deems appropriate to consult with in the
24 implementation and administration of this section, shall be conducted
25 within existing resources. The board, the department of health, the
26 health care authority, and any other agency consulted with in
27 implementing or administering this section shall not expend funds,

1 other than funds within the agency's existing resources, for the
2 implementation and administration of this section, including but not
3 limited to expending funds for any of the following: Employing new
4 staff, hiring workers, or otherwise increasing the agency's full or
5 part-time employees; contracting for goods, services, or labor;
6 traveling; creating reimbursements; entering interagency agreements;
7 making information technology-related expenditures; making capital or
8 operating expenditures; locating, compiling, reviewing, organizing,
9 storing, maintaining, sharing, reporting, publishing, or updating data
10 or information; or making any other expenditure for purposes of
11 implementing this section not within the agency's existing resources.
12 If information or data required under this section is unavailable to,
13 or unobtainable by, the board, the department of health, the health
14 care authority, or any other agencies the board deems appropriate to
15 consult with in the implementation and administration of this section,
16 within the board, department, authority, or agency's existing
17 resources, the data or information is not required to be published on
18 the board's website."

EFFECT: (1) Authorizes the Liquor and Cannabis Board (LCB) to reference and link to other state agency websites for the information required to be published on the LCB's website, to avoid duplication. Requires the LCB to report to the Legislature if information required to be published by the bill is unavailable. Requires the LCB, the Department of Health, and the Health Care Authority, within existing resources, to identify and collect data that, if available, would be required to be published on the LCB's website.

(2) Requires the implementation and administration of the proposed data dashboard on the LCB's website to be within the LCB's and the other agencies' existing resources. Includes examples of types of expenditures that may not be made to implement and administer the proposed data dashboard, other than with funds within the agencies' existing resources. Provides that if information or data is unavailable to, or unobtainable by, an agency within its existing resources, the data or information is not required to be published on the LCB's website.
