3 "(2) The requirement under this section to provide an
4 electronic payment option by July 1, 2008 does not apply to a gas
5 company, electrical company, or water company that provides gas,
6 electric, or water services to less than five thousand retail
7 customer accounts.

8 (3) "

9 On page 4, before line 11 of the proposed substitute, insert
10 "(1) "

11 On page 4, before line 17 of the proposed substitute, insert
12 the following:

13 "(2) The requirement under this section to provide an
14 electronic payment option by July 1, 2008 does not apply to a
15 telecommunications company that provides telecommunications
16 services to less than five thousand retail customer accounts.

17 (3) "

EFFECT: Exempts utilities with less than five thousand retail
customer accounts from the requirement to provide, by July 1,
2008, an electronic payment option that retail customers may
use for payment of bills for service provided.
