

STATE OF WASHINGTON
DEPARTMENT OF GAME

Director's Order No. 106

(1) Be it resolved by the undersigned, Ralph W. Larson, Director, Washington State Department of Game, that I promulgate and adopt at Olympia, Washington as emergency rule of this governing body, the annexed rule:

WAC 232-28-20301 CANCELLATION OF THE 1980 EITHER-SEX PERMIT
CONTROLLED DEER HUNTING SEASONS DRAWING
DATE IN UNIT 516 - PACKWOOD, SEPTEMBER 11,
1980, 9:30 A.M. AT KELSO PUD BUILDING

(2) I, Ralph W. Larson, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest. A statement of the facts constituting such emergency is:
Because of public access closure of lands by the U. S. National Forest Service in the vicinity of Mt. St. Helens, and Unit 516 - Packwood lies in this vicinity, and because the Department of Game has not had time to evaluate the impact of heavy ash fall-out on deer populations, it is necessary to cancel this drawing date. Such rules are therefore adopted as emergency rules to take effect upon filing with the Code Reviser.

(3) This rule is promulgated under the authority of the Director of Game as authorized in RCW 77.12.150 with the approval of the Game Commission as provided in that statute.
