(1) The IEP for the eligible special education student is appropriate, and properly and efficiently prepared and formulated.

(2) All of the following criteria apply to the high need student:

(a) Costs eligible for safety net consideration must be associated with providing direct special education and related services identified in a properly formulated IEP.

(b) In order to deliver appropriate special education and related services to the student, the district must be providing services which incur costs exceeding:

(i) The annual threshold as established by the office of superintendent of public instruction for state funding; then

(2) The unique factor(s) identified by the district is not the result of district philosophy, service delivery choice, or accounting practice;

(3) The identified factor(s) creates an adverse fiscal impact upon the district's special education program; and

WAC 392-140-675 Special education safety net—Adjustments to special education safety net allocations. Safety net allocations may be adjusted as follows:

(1) For those districts not maximizing medicaid billing for special education students under RCW 74.09.5255, special education safety net allocations shall be reduced by the estimated potential additional incentive payments for the school year if the district maximized medicaid incentive payments. Potential additional incentive payments shall be estimated by the superintendent of public instruction based on the district's percent of medicaid eligible students billed and a statewide average incentive payment per student determined by the superintendent in October of the school year. The average incentive payment per student shall be determined using the prior school year's statewide medicaid billing data assuming fifty percent incentive payments for all school districts. The superintendent of public instruction shall update medicaid billing adjustments to safety net allocations periodically during the school year and again in January following the close of the school year.

(2) Special education safety net allocations for a school district may be adjusted to reflect changes in factors for which additional or revised information becomes available after the awarding of the initial safety net allocation. This means:

(a) High need awards and/or community impact awards may be reduced or nullified when the school district's actual revenues and expenditures for the school year differ significantly from the estimates on which the initial safety net award was based.

(b) A school district's safety net award may be adjusted by the safety net oversight committee based on the results of the review conducted by the special education program audit team pursuant to WAC 392-140-630.

WAC 392-140-685 Special education safety net—Recovery of state and/or federal allocations to school districts. High need student state and/or federal special education safety net allocations and state community impact awards:

(1) Shall be recovered or awards reduced for the following reasons:

(a) The application contains a falsification or deliberate misrepresentation, including omission of a material fact.

(b) The allocation is unexpended for the purpose allocated including but not limited to situations where the student leaves the district or has a change in services. For students who transfer to another Washington public school district, expenditures for specialized equipment purchased with these funds shall not be recovered provided the district transfers the equipment to the other school district.

(c) The IEP is determined at a later date, through state audit or child count verification, to be inappropriate or improperly prepared and appropriate and proper preparation would materially affect the justification or amount of need for safety net funding.

(2) May be recovered or awards reduced for the following reasons:

(a) The school district has carryover of state and/or federal flow-through special education funding from the school year for which the award was made.

(b) The district's actual revenues are significantly higher than estimated revenues on which the award was based or the district's actual expenditures are significantly lower than the estimated expenditures on which the award was based.

(c) The state oversight committee finds grounds for adjustment in the special education program audit team's review pursuant to WAC 392-140-630.

Recovery adjustments not made in the current school year shall be added to the amount calculated pursuant to WAC 392-140-616 (2)(c) for the following school year. Such amounts reduce state and/or federal safety net awards in the following year.

WAC 392-140-915 High poverty funding—Process and definition of eligible schools. For the purposes of this section, an eligible school is one in which the free and reduced priced lunch percentage for students in grades K-6 exceeds fifty percent within the school building, and the school is not part of a district that receives any type of K-6 small school or remote and necessary funding. CEDARS data as of October of the previous school year will be used to determine school eligibility. If a school is determined to be eligible, the K-3 full-time equivalent enrollment as reported to the office of superintendent of public instruction on the P-223 will be used to generate funding at an enhanced class size as determined by the legislature.

A preliminary CEDARS extract of October data will be pulled on March 31st to be used to determine a preliminary list of eligible schools to be published in April. This list will be used by districts as a basis for estimating the total eligible high poverty enrollment to be put into the F-203 for budgeting purposes. Districts will have until September 30th to make adjustments to this data before it is considered final for funding purposes.

A secondary CEDARS extract of October data will be pulled on July 30th. An updated list of eligible schools will be presented to districts in August.

(1/12/12)

On September 30th, the October CEDARS data for the previous school year will be considered final for K-3 high poverty funding purposes. A final data extract will be used to determine schools that are eligible for high poverty funding. Final determination of eligible schools for the current school year will be available in mid-October.

Funding of K-3 high poverty schools will be based upon budgeted K-3 enrollment in eligible high poverty schools as stated in a district's F-203 from September through December. Funding based on average annual full-time equivalent enrollment reported in final approved eligible schools will begin in January and continue through August.
