

WAC 136-700-040 Functional classification. (1) The statute specifies that eligible projects must be roads not federally classified as an arterial or collector.

(2) Each LRP project application submitted shall show the functional classification of the road or roads included in the project. Prior to project approval, the board shall verify that the road on which the LRP project is requested, is not federally classified as an arterial or collector.

[Statutory Authority: RCW 36.78.070 and 36.170.010. WSR 26-08-028, s 136-700-040, filed 3/23/26, effective 4/23/26.]
