

**WAC 173-900-490 Corrective action for collector violations.** For ecology to change a collector from the "in violation" status to "in compliance" status on the "collector registration list," the collector must:

- (1) Provide evidence that the violation has been corrected; and
- (2) Pay or settle any penalties to ecology.

[Statutory Authority: Chapters 70.95N, 70.105, and 70.105D RCW. WSR 07-21-013 (Order 07-05), § 173-900-490, filed 10/5/07, effective 11/5/07.]
