**WAC 192-320-005 What is "experience?" (RCW 50.29.021.)** As used in this chapter, the term "experience" includes matters that have a direct relation to the risk of unemployment. Any benefits paid that are based on wages paid by the employer and chargeable under RCW 50.29.021 are considered experience.

[Statutory Authority: RCW 50.12.010, 50.12.040. WSR 10-23-064, § 192-320-005, filed 11/12/10, effective 12/13/10. Statutory Authority: RCW 50.12.010, 50.12.040, and 50.12.042. WSR 05-19-017, § 192-320-005, filed 9/9/05, effective 10/10/05.]

**WAC 192-320-010 When is experience transferred to a successor employer?** (1) Any benefits paid which are based on wages paid by the predecessor employer before the transfer of ownership must be charged to the successor employer. Just as the successor employer gets the organization, trade, business, assets, and experience of a predecessor employer as of the date of transfer, it must also get the benefit charges for past, current, or future claims connected to the predecessor employer (or a part of the predecessor employer that can be singled out) prior to the transfer.

(2) Once experience has been transferred, it becomes the successor employer's experience. It must be used to decide the successor's rates for any rate year that follows the year in which the transfer occurs. (There is an exception when, following the transfer, the successor does not have enough experience to be a qualified employer under RCW 50.29.010(6).) Since the transferred experience belongs to the successor employer, it may no longer be used to compute rates for the predecessor employer for rate years that follow.

[Statutory Authority: RCW 50.12.010, 50.12.040, and 50.12.042. WSR 05-19-017, § 192-320-010, filed 9/9/05, effective 10/10/05.]

**WAC 192-320-025 How are unemployment insurance tax rates determined for new employers? (RCW 50.29.025.)** (1) Beginning in rate year 2008, unemployment insurance tax rates for new employers shall be based on the history factor of new employers over the last three fiscal years applied to the experience tax and the social cost factor tax for each industry. The history factor shall be ninety percent, one hundred percent, or one hundred fifteen percent, based on the experience of new employers over the last three years, and shall be calculated under RCW 50.29.025.

(2) As used in this section:

(a) "NAICS" is an abbreviation for North American Industry Classification System;

(b) "Industry average array calculation factor rate" means the average experience-based tax rate for a particular industry. When multiplied by the history factor, it will be referred to as the "experience tax."

(c) "Industry average social cost factor rate" means the average social tax rate for a particular industry. When multiplied by the history factor, it will be referred to as the "social cost factor tax."

(d) "History factor" shall be ninety percent, one hundred percent, or one hundred fifteen percent, depending on the ratio of benefits charged and contributions paid in the last three fiscal years by employers who were not considered a "qualified employer" under WAC 192-320-030 or were not delinquent on taxes under WAC 192-320-035. It shall be computed annually and is not limited to a particular industry.

(3) When calculating the experience tax and social cost factor tax, the department will use the first four digits of the NAICS code of the industry being calculated.

(4) Experience tax.

(a) The department will calculate the experience tax as follows:

(i) A table will be prepared that contains each of the forty rate classes;

(ii) For each rate class, the department will multiply, total, and display the taxable payrolls for all qualified employers assigned to that rate class with the NAICS code being calculated, by the percentage assigned to that rate class;

(iii) The department will total the tax rates for the forty industry rate classes and divide the sum by the total of all payrolls used in the calculation; and

(iv) The department will multiply the result by the history factor for that year, and show the final amount as a percentage rounded to two decimal places.

(b) The experience tax must be at least 1.00 percent and not more than 5.4 percent.

(5) Social cost factor tax.

(a) The department will calculate the social cost factor tax as follows:

(i) The experience tax table will show the percentage of the social cost factor tax assigned to each of the forty rate classes;

(ii) The department will multiply, total, and display the total payroll in each industry rate class by the percentage of social cost factor tax assigned to that rate class;

(iii) The department will total the social cost factor tax rate for the forty industry rate classes and divide the sum by the total of all payrolls used in the calculation; and

(iv) The department will multiply the result by the history factor for that year, and show the final amount as a percentage rounded to two decimal places.

(b) The social cost factor tax for an industry cannot be higher than the percentage of social cost factor tax assigned to rate class forty.

(6) If there are no qualified employers in the four-digit level of the NAICS code, the department will calculate the rates using the corresponding three-digit level and assign the result to the four-digit level. If there are no qualified employers in the three-digit level, the department will calculate the rates using the corresponding two-digit level and assign the result to both the three-digit and four-digit levels.

[Statutory Authority: RCW 50.12.010 and 50.12.040. WSR 07-23-127, § 192-320-025, filed 11/21/07, effective 1/1/08.]

**WAC 192-320-036 How are unemployment insurance tax rates determined for employers who are delinquent on taxes or reports, beginning in rate year 2011?** (1) An employer that has not submitted by September 30th all reports, taxes, interest, and penalties required under Title 50 RCW for the period preceding July 1st of any year is not a "qualified employer."

(2) For purposes of this section, the department will disregard unpaid taxes, interest, and penalties if:

(a) The unpaid taxes, interest, and penalties add up to less than either one hundred dollars or one-half of one percent of the employer's total tax reported for the twelve-month period immediately preceding July 1st. These minimum amounts only apply to taxes, interest, and penalties, not failure to submit the required tax and wage reports; or

(b) The unpaid taxes, interest, and penalties were found in a voluntary audit unless the department determines the employer did not make a good faith effort to comply with the law.

(3) (a) Under RCW 50.29.080, the department may redetermine an employer's previously assigned tax rate and retroactively assign delinquent tax rates to prior years if the department discovers an employer did not correctly report its taxes and wages.

(b) In the event an employer does not register with the department, the department may assign the delinquent tax rate beginning the calendar year after the July 1st following the first quarter an employer paid wages.

(4) (a) This section does not apply if the otherwise qualified employer shows to the satisfaction of the department that he or she acted in good faith and that applying the delinquent tax rate would be inequitable. This exception is to be narrowly construed to apply at the sole discretion of the department. The department's decision will be subject to review only under the arbitrary and capricious standard and will be reversed in administrative proceedings only for manifest injustice.

(b) If the department finds the employer knew or should have known its actions or inactions would result in a failure to submit all reports, taxes, penalties and interest by September 30th, then the department will find that an employer did not act in good faith and that application of the delinquent tax rate will not be inequitable.

(c) In determining if an employer acted in good faith and if application of the delinquent tax rate would be inequitable, the department may consider all facts surrounding the delinquent reports, taxes, penalties and interest.

(i) The department will consider the following factors when determining if an employer acted in good faith and if application of the delinquent tax rate will be inequitable. No single factor is conclusive. The factors include, but are not limited to:

(A) Whether there were events beyond the employer's reasonable control;

(B) Whether departmental error led to the delinquency;

(C) Whether the employer made only isolated errors instead of repeated errors;

(D) If the employer was a domestic service employer under RCW 50.04.160;

(E) Whether the employer, upon learning of the delinquency, made a diligent effort to pay overdue taxes, penalties, and interest and file overdue reports within ninety days;

(F) The amount of taxes, penalties and interest an employer failed to pay compared to the amount of taxes an employer reported and paid during the same time period;

(G) The number of employees an employer failed to report compared to the number of employees an employer reported during the same time period;

(H) The additional amount of taxes, penalties, and interest resulting from the application of delinquent tax rates compared to the

amount of taxes, penalties, and interest the employer failed to pay originally.

(ii) The department will not consider the following factors when determining if an employer acted in good faith and if application of the delinquent tax rate would be inequitable:

(A) An employer's lack of available funds to pay taxes, penalties, and interest;

(B) Delay by the employer or its representative in opening mail or receiving other notices from the department relating to tax filing and payment.

(5) (a) An employer that is not a "qualified employer" because of failure to pay contributions when due will be assigned the array calculation factor rate it would otherwise have had if it had not been delinquent, plus an additional one percent. If the employer fails to pay contributions when due for a second or more consecutive year, it will be assigned the array calculation factor rate it would otherwise have had if it had not been delinquent, plus an additional two percent.

(b) If the employer fails to provide quarterly tax reports and the department cannot otherwise calculate what tax rate the employer would otherwise have had if it had not been delinquent, the department will use the higher of the rate calculated under RCW 50.29.025 (1)(d) (NAICS rate with one percent minimum) or the last annual rate assigned to the employer.

(c) The higher rate for an employer in (a) of this subsection will not apply if the employer enters a deferred payment contract approved by the agency by September 30th of the previous rate year.

(d) If, after September 30th of the previous rate year and within thirty days after the date the department sent its first subsequent tax rate notice to the employer, an employer in (a) of this subsection pays all amounts owed or enters a deferred payment contract approved by the department, the additional rate will be one-half percent less than it would otherwise have been in (a) of this subsection. "First subsequent tax rate notice to the employer" means the first notice to the employer assigning that specific delinquent tax rate, regardless of whether the notice is part of the department's annual tax rate run.

(e) If an employer with an approved deferred payment contract fails to make any one of the payments or fails to submit any tax report and payment in a timely manner, the employer's tax rate will immediately revert to the rate in (a) of this subsection.

(6) An employer that is not a "qualified employer" because of failure to pay contributions when due will be assigned a social cost factor rate in rate class 40. The tax rate caps for "qualified employers" in RCW 50.29.025 will not apply either to the calculation of the social cost factor rate in rate class 40 or to the sum of the array calculation factor rate and the graduated social cost factor rate for employers that are not "qualified employers."

(7) An employer that is not a "qualified employer" because it is a successor and its predecessor was not a "qualified employer" will be assigned rates based on its successor status.

(8) Assignment of the rate for delinquent taxes is not considered a penalty that is subject to waiver under WAC 192-310-030.

**WAC 192-320-040 When will the department recalculate employer tax rates? (RCW 50.29.080.)** (1) The department may, at its discretion, recalculate the tax rate for any employer if it determines, within three years of the July 1 computation date, that the rate as originally computed was erroneous.

(2) Except as provided in subsection (1) of this section, an employer must submit a written request for rate review or recalculation before the department will recalculate a rate. This does not apply if the department determines that the department's error caused an incorrect tax rate.

(3) The department will not recalculate a tax rate at the request of the employer more than once in a calendar year.

[Statutory Authority: RCW 50.12.010 and 50.12.040. WSR 07-23-127, § 192-320-040, filed 11/21/07, effective 1/1/08.]

**WAC 192-320-065 How does an employer request relief of benefit charges? (RCW 50.29.021.)** For purposes of RCW 50.29.021, a contribution-paying base year employer may request relief from certain benefit charges which result from the payment of benefits to an individual. This section does not apply to local governments.

(1) **Employer added to a monetary determination as the result of a redetermination.** The employer's request for relief of benefit charges must be received or postmarked within thirty days of when the department mails the notification of redetermination (Notice to Base Year Employer - EMS 166).

(2) **Timely response.** The commissioner may consider a request for relief of benefit charges that has not been received or postmarked within thirty days as timely if the employer establishes good cause for the untimely response.

(3) **Additional information.**

(a) The employer shall provide the information requested by the department within thirty days of the mailing date of the department's request.

(b) It shall be the responsibility of the employer to provide all pertinent facts to the satisfaction of the department to make a determination of relief of benefits charges, or good cause for failure to respond in a timely manner.

(c) Failure to respond within thirty days will result in a denial of the employer's request for relief of benefit charges unless the employer establishes good cause for the untimely response.

(4) **Denial and appeal of request.** Any denial of a request for relief of benefit charges shall be in writing. The denial may be appealed under RCW 50.32.050.

[Statutory Authority: RCW 50.12.010, 50.12.040. WSR 10-23-064, § 192-320-065, filed 11/12/10, effective 12/13/10; WSR 10-16-038, § 192-320-065, filed 7/26/10, effective 8/26/10. **WAC 192-320-066 Eligibility for relief from benefit charges from the COVID-19 unemployment account—Section 5, chapter 7, Laws of 2020.**

(1) **Application for relief.** The department will consider an employer's application to have a portion of unemployment benefits paid to an approved employee paid by the COVID-19 unemployment account instead of charged to its experience rating account if the employer:

(a) Submits an application on a form approved by the department.

(i) Electronic application forms can be accessed on the department's website.

(ii) Paper application forms can be accessed by either downloading them from the department's website or calling the accounts management center and asking for a copy of the form to be sent via mail.

(b) Timely submits the application.

(i) An electronically submitted form is submitted timely if the department's information technology system receives the form on or before 11:59 p.m. on September 30, 2020.

(ii) A form sent via mail is submitted timely if it has a postmark date of September 30, 2020.

(c) Attests that the information provided on the application is true and accurate.

(i) Employers must retain documents sufficient to substantiate the information provided on the application.

(ii) After the application is submitted, the department may ask employers for documents substantiating the information provided on the application.

(iii) The department may deny relief of benefit charges from the COVID-19 unemployment account if the department requests documentation from an employer and the employer fails to provide documentation sufficient to substantiate the information provided on the application.

(2) **Definition of approved employee.** For purposes of this section, an "approved employee" is an employee who:

(a) Became temporarily unemployed as a direct or indirect consequence of COVID-19. For purposes of (a) of this subsection, an employee became temporarily unemployed as a direct or indirect consequence of COVID-19 if either:

(i) The individual's employer was required to close or severely curtail operations due to a state or federal executive order adopted in order to prevent the spread of COVID-19; or

(ii) The individual left employment due to a request from a medical professional, local health official, or the secretary of health in order to be isolated or quarantined as a consequence of COVID-19, even if the employee or the employee's immediate family member was not actually diagnosed with COVID-19.

(b) Spent at least one week of their unemployment described in

(a) of this subsection on standby pursuant to WAC 192-110-015; and

(c)(i) Prior to September 26, 2020, worked at least four weeks with their employer in suitable work with a rate of weekly pay at least ninety percent of the rate of weekly pay the employee had prior to becoming unemployed as described in (a) of this subsection.

(ii) Worked less than four weeks with their employer if, after working at least one day, the employee:

(A) Was discharged for misconduct; or

(B) Voluntarily quit for reasons not attributable to the employer.

(3) **Benefits not eligible for relief.** In calculating the amount of benefits eligible for full or partial payment by the COVID-19 unemployment account, the department will not include:

- (a) Benefits paid on or before February 29, 2020;
- (b) Benefits charged to the third quarter of 2020 or after;
- (c) Benefits subject to federal reimbursement or payment under Public Law 116-136, Title II, Subtitle A (Relief for Workers Affected by Coronavirus Act) or other federal law;
- (d) Benefits for which the department granted relief of benefits charges pursuant to RCW 50.29.021;
- (e) Benefits that the employer would have been eligible to receive relief of benefit charges pursuant to RCW 50.29.021 but for which the employer failed to timely request relief; or
- (f) Benefits paid for weeks where the approved employee was not on standby pursuant to WAC 192-110-015.

(4) **Ineligible employers.** The following employers are not eligible to apply for relief of benefit charges under this section:

- (a) Employers described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions;
- (b) Employers who are required to make payments in lieu of contributions;
- (c) Taxable local government employers as described in RCW 50.44.035;
- (d) Any employer that has not submitted all quarterly reports for the second quarter of 2020 and all prior quarters by September 30, 2020; and
- (e) Any employer that has not paid all contributions, penalties and interest due by September 30, 2020, or has not entered into a department-approved deferred payment contract by September 30, 2020.

(5) **Appeal rights.**

(a) If the department denies all or part of an employer's application for relief of benefit charges from the COVID-19 unemployment account, the department will provide the employer with the reasons for the denial.

(b) An employer may not appeal the denial of an application for relief of benefit charges from the COVID-19 unemployment account.

(c) Independent of the right to request relief of charges from the COVID-19 unemployment account pursuant to this section, an employer still retains the right to request relief of the underlying benefit charges pursuant to WAC 192-320-065 and appeal any denial of that request under WAC 192-04-060.

[Statutory Authority: RCW 50.29.100. WSR 20-19-018, § 192-320-066, filed 9/4/20, effective 9/4/20.]

**WAC 192-320-070 What conditions apply for relief of benefit charges due to a voluntary quit? (RCW 50.29.021.)** (1) A contribution-paying base year employer, who has not been granted relief of charges under RCW 50.29.021(2), may request relief of charges for a voluntary quit not attributable to the employer under RCW 50.29.021(3) and WAC 192-320-065. This section does not apply to local governments.

(2) **Reasons for a voluntary quit not attributable to the employer.** A claimant may have been denied unemployment benefits for voluntarily quitting work without good cause, but subsequently requalify for unemployment benefits through work and earnings. Even if the

claimant has requalified for benefits, the following reasons for leaving work will be considered reasons not attributable to the employer:

(a) The claimant's illness or disability or the illness, disability or death of a member(s) of the claimant's immediate family;

(b) The claimant's domestic responsibilities;

(c) Accepting a job with another employer;

(d) Relocating for a spouse's or domestic partner's employment;

(e) Starting or resuming school or training;

(f) Being in jail;

(g) The distance to the job site when the job was accepted and the distance at the time of the quit remained the same; or the job location may have changed but the distance traveled or difficulty of travel was not increased;

(h) Being dissatisfied with wages, hours or other working conditions generally known when the job was accepted; and the working conditions are determined suitable for the occupation in the claimant's labor market; and

(i) Separation necessary to protect the claimant or any member of the claimant's immediate family from domestic violence or stalking; and

(j) Entry into an apprenticeship program approved by the Washington state apprenticeship training council.

(3) **Reasons for a voluntary quit considered attributable to employer** are those work-related factors of such a compelling nature as to cause a reasonably prudent person to leave employment. The work factors must have been reported to the employer if the employer has reasons not to be aware of the conditions, and the employer failed to improve the factors within a reasonable period of time. The reason for quitting may or may not have been determined good cause for voluntarily leaving work under RCW 50.20.050. For benefit charging purposes, however, such work-related factors may include, but are not limited to:

(a) Change in work location which causes an increase in distance and/or difficulty of travel, but only if it is clearly greater than is customary for workers in the individual's classification and labor market;

(b) Deterioration of work site safety provided the employee has reported such safety deterioration to the employer and the employer has failed to correct the hazards within a reasonable period of time;

(c) Employee skills no longer required for the job;

(d) Unreasonable hardship on the health or morals of the employee;

(e) Reductions in hours;

(f) Reduction in pay;

(g) Notification of impending layoff; and

(h) Other work-related factors the commissioner considers pertinent.
