The request should include the following information:

(a) The name of the requestor;

(b) Contact information such as address, telephone number, email address, or other preferred contact information;

(c) The address where copies of records are to be mailed or emailed, or notification that the requestor wants to examine the records at the department's administrative office;

(d) An identification or description of the public records adequate for the public records officer or designee to locate the record or, if the record requested is referenced within the department's public records index, a reference to the requested record as it is described in the index; and

WAC 208-12-075 Processing public records requests. (1) **Order of processing requests.** The department will process requests in the order that allows requests to be fulfilled in the most efficient manner feasible.

(2) **Acknowledging receipt of a request.** The department will acknowledge a request for public records within five business days after the department receives the request, by:

(a) Making the requested records available for inspection or copying or by providing copies of the records, including:

(i) If records are available on the department's website, by providing an internet address and link on the website to specific records requested;

(ii) If copies are requested and all applicable costs and deposits, if any, are paid by the requestor or other terms of payment are agreed upon, sending the copies to the requestor;

(b) Acknowledging receipt of the request and providing a reasonable estimate of when records or an installment of records will be

available (the public records officer or designee may revise the estimate of when records will be available); or

(c) Acknowledging receipt of the request and asking the requestor to provide clarification for a request that is unclear, and providing, to the greatest extent possible, a reasonable estimate of time the department will require to respond to the request if it is not clarified;

(i) Such clarification may be requested and provided by telephone, and memorialized in writing;

(ii) If the requestor fails to respond to a request for clarification and the entire request is unclear, the department need not respond to the request; or

(d) Providing a written statement of denial of the request.

(3) **If no response is received.** If the requestor does not receive an acknowledgment of the records request within five business days, the requestor should contact the public records officer to confirm that the department received the request.

(4) **Records exempt from disclosure.** If a record or portion of a record is exempt from disclosure pursuant to chapter 42.56 RCW or as otherwise provided by law, the department may withhold or redact such record. If records are withheld or redacted, the department will, in writing, state the specific exemption and provide a brief explanation of why the record or portion of the record is being withheld or redacted.

(5) **Providing copies of records.** Copies may be provided in either hard copy or electronic format, as requested. The cost for copies is set forth in WAC 208-12-090, and costs must be paid to the department prior to delivery of copies. Copies may be emailed or mailed to the requestor, may be made available to the requestor for pickup at the department's administrative office, or may be made available via a file sharing service.

(6) **Records may be provided in installments.** When a requestor seeks a large volume of records or collection and review of the records will be resource intensive, the public records officer or designee may provide copies or access for inspection of records in installments. Costs for each installment must be paid prior to delivery of the installment.

(7) **Closing withdrawn or abandoned requests.** The public records officer or designee may close a request when: The request is withdrawn by the requestor; the requestor fails to remit fees or a deposit when due, pursuant to WAC 208-12-090(8); the requestor fails to inspect records or retrieve copies of records within thirty days of notice that the records are available for inspection or retrieval; or the requestor fails to provide requested clarification within thirty days and the entirety of the request is unclear. The requestor will be notified in writing that the request has been closed. If a requestor seeks to reopen a closed request, the request may be opened as a new request.

(8) **Bot requests.** The department may deny a "bot" request, which is one of multiple requests from a requestor to the department within a twenty-four-hour period, if the request causes excessive interference with other essential department functions. RCW 42.56.080(3). A "bot" request means a records request that the department reasonably believes was automatically generated by a computer program or script.

(9) **Protecting the rights of others.** If the requested records contain information that may affect the rights of others, and which may be exempt from disclosure, the public records officer or designee

may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure.

[Statutory Authority: RCW 43.320.040, 42.56.040, 42.56.100, and 42.56.120. WSR 18-13-104, § 208-12-075, filed 6/19/18, effective 8/1/18.]

WAC 208-12-080 Inspection of public records. (1) It is the department's responsibility to protect public records from destruction, damage or disorganization, and prevent excessive interference with essential functions of the department.

(2) Before a person may inspect original records, that person must agree to the following conditions:

(a) The records may not be removed from the area designated for review;

(b) The records may not be destroyed;

(c) The records may not be altered in any way;

(d) The records may not be defaced in any way, including marking upon, folding or folding anew if in folded form, tracing or fastening with clips or other fasteners except those that already exist in the file;

(e) The records may not be cut, torn or mutilated in any way;

(f) The records must be kept in the order in which received; and

(g) The records will be returned to the department's public records officer or his or her designee when no longer required by the requestor, but no later than the end of customary business hours.

(3) If the requestor wishes to receive copies of particular records, they should so indicate to the public records officer or designee. Copies will be provided once payment arrangements are made, pursuant to WAC 208-12-090.

(4) The requestor must review assembled records within thirty days of the department's notification that the records are available for inspection. If the requestor fails to inspect assembled records or make other arrangements within thirty days, the department may close the request.

[Statutory Authority: RCW 43.320.040, 42.56.040, 42.56.100, and 42.56.120. WSR 18-13-104, § 208-12-080, filed 6/19/18, effective 8/1/18. Statutory Authority: RCW 43.320.040 and 42.17.250. WSR 96-14-082, § 208-12-080, filed 7/1/96, effective 8/1/96.]

WAC 208-12-090 Fees—Payments. (1) Copy fees and payment procedures apply to requests to the department under chapter 42.56 RCW received by the department on or after the effective date of these rules.

(2) The department finds that it would be unduly burdensome to calculate the actual costs of providing public records to requestors for the following reasons:

(a) The scope of requests and staff time required to provide records varies widely depending on numerous factors;

(b) The department does not have the resources to conduct a study to determine its actual copying costs;

(c) To conduct such a study would interfere with other essential agency functions; and

(d) Through the 2017 legislative process, the public and requestors have commented on, and been informed of, authorized fees and costs, including for electronic records, provided in RCW 42.56.120 (2)(b) and (c), (3), and (4).

(3) In order to timely implement a fee schedule consistent with the Public Records Act, it is more cost efficient, expeditious, and in the public interest for the department to adopt the state legislature's approved fees and costs for the department's records, as authorized in RCW 42.56.120 and as published in the agency's fee schedule.

(4) The department will charge for copies of records pursuant to the default fees in RCW 42.56.120 (2)(b) and (c). The department will charge for customized services pursuant to RCW 42.56.120(3). Under RCW 42.56.130, the department may charge other copy fees authorized by statutes outside of chapter 42.56 RCW. The department may enter into an alternative fee agreement with a requestor under RCW 42.56.120(4). The charges for copying methods used by the department are summarized in the following fee schedule. Charges may be combined to the extent that more than one type of charge applies to copies produced in response to a particular request.

Public Records Fee Schedule	
Charge:	Record Type:
15 cents/ page	Photocopies, printed copies of electronic records when requested by the requestor, or for the use of agency equipment to photocopy public records.
10 cents/ page	Records scanned into an electronic format or for the use of agency equipment to scan the records.
5 cents for each 4 electronic files or attachments	Records uploaded to email, cloud-based data storage service, or other means of electronic delivery.
10 cents/ gigabyte	Records transmitted in an electronic format or for the use of agency equipment to send the records electronically.
Actual cost	Digital storage media or device; any container or envelope used to mail copies; and postage or delivery charges.
Actual cost	A customized service charge, in addition to the charges set forth above, if the department estimates that the request would require the use of information technology expertise to prepare data compilations, or provide customized electronic access services when such compilations and customized access services are not used by the agency for other agency purposes.
Alternative Fee	
Up to \$2 flat fee	As an alternative to the charges set forth above, the department may charge a flat fee of up to \$2 when the department estimates that the costs are clearly equal to more than \$2.

(5) Fee waivers are an exception and are available for some small requests under the following conditions:

(a) It is within the discretion of the public records officer to waive copying fees when:

(i) All of the records responsive to an entire request are paper copies only and are twenty-five or fewer pages; or

(ii) All of the records responsive to an entire request are electronic and can be provided in a single email with attachments of a size totaling no more than the equivalent of one hundred printed pages. If that email for any reason is not deliverable, records will be provided through another means of delivery, and the requestor will be charged in accordance with this rule.

(b) Fee waivers are not applicable to records provided in installments unless approved by the director.

(6) The department may require an advance deposit of ten percent of the estimated fees when the copying fees for an installment or an entire request, or customized service charge, exceeds twenty-five dollars.

(7) All required fees and deposits must be paid in advance of release of copies or an installment of copies. Payment will be due within thirty days of notice of the amount due. The department will notify the requestor of when payment is due.

(8) Payment should be delivered to the department by check or money order payable to the Washington state treasurer. The department prefers not to receive cash. For cash payments, it is within the public records officer's discretion to determine the denomination of bills and coins that will be accepted. The department may provide a system that accepts certain forms of electronic payment.

(9) The department will close a request when a requestor fails by the payment date to pay in the manner prescribed by this section.

(10) Upon request, the department will provide a summary of applicable charges before any copies are made. The requestor may revise the request to reduce the number of copies to be made to reduce the charges.

[Statutory Authority: RCW 43.320.040, 42.56.040, 42.56.100, and 42.56.120. WSR 18-13-104, § 208-12-090, filed 6/19/18, effective 8/1/18. Statutory Authority: RCW 43.320.040 and 42.17.250. WSR 96-14-082, § 208-12-090, filed 7/1/96, effective 8/1/96.]

WAC 208-12-100 Exemptions from public records.
