

WAC 220-220-020 Recreational license. A recreational license is a valid internet or telephone transaction number issued by the department or a valid license.

With the exception of razor clam licenses and one-day charter boat or guide operator stamp licenses, to be valid, a license must be signed by the licensee, must contain the licensee's personal identification information, and, if a catch record card is required, must be accompanied by a valid catch record card.

To be valid, a razor clam license must be signed by the licensee.

When a catch record card is not required for use with a one-day charter boat or guide operator stamp license, the stamp license is valid only if the issue date is written in ink on the stamp and the stamp is signed by the licensee. When a catch record card is required for use with a one-day charter boat or guide operator stamp license, the license is valid only if the issue date is written in ink on the stamp, the stamp is affixed to the catch record card, the catch record card is signed by the licensee, and the catch record card contains the licensee's completed personal identification information.
