

WAC 240-20-075 Supplemental applications. After program and project selection, circumstances may develop wherein unobligated funds may accumulate in one or more of the accounts. Such accumulation may occur as a result of a program or project costing less than budgeted, a program or project being unable to go forward or to complete its objectives, or more funds being available in the account than projected. Should such accumulations occur, the committee may institute a supplemental application period to program those funds. Should the committee elect to do so, the application and project selection process will be subject to the conditions identified in this chapter. Furthermore, the application guidelines identified by WAC 240-20-060 and currently in use shall be used for the supplemental process.
