

**WAC 246-290-72008 Report contents—Variances and exemptions.**

This section expires on January 1, 2027. If a system is operating under the terms of a variance or an exemption issued under WAC 246-290-060, the report must contain:

- (1) An explanation of the reasons for the variance or exemption;
- (2) The date on which the variance or exemption was issued;
- (3) A brief status report on the steps the system is taking to install treatment, find alternative sources of water, or otherwise comply with the terms and schedules of the variance or exemption; and
- (4) A notice of any opportunity for public input in the review, or renewal, of the variance or exemption.
