WAC 246-811-048 Supervision requirements. (1) All of the experience required for substance use disorder professional certification must be under the direct supervision of an approved supervisor as defined in WAC 246-811-049.

(2) A substance use disorder professional or an individual credentialed according to WAC 246-811-076 may provide substance use disorder assessment, counseling, and case management to patients consistent with his or her education, training, and experience as documented by the approved supervisor.

(a) The first 50 hours of any face-to-face patient contact must be under direct observation of an approved supervisor or a substance use disorder professional designated by the approved supervisor. If the approved supervisor identifies that additional training is necessary, they may require up to 10 additional hours of direct observation after the first 50 hours have been completed.

(b) An approved supervisor or the approved supervisor's designated certified substance use disorder professional must provide supervision when a supervisee is providing clinical services to patients and be immediately available for consultation.

(c) The first 50 hours of face-to-face patient contact described under subsection (a) of this section shall include at least:

- (i) Ten hours in assessments;
- (ii) Ten hours in individual counseling facilitation; and
- (iii) Ten hours in group counseling facilitation.

(3) The approved supervisor and trainee shall schedule regular supervision meetings either remotely or in-person.

(a) The frequency of supervision meetings shall be at least once a week, which can either be group supervision or individual supervision meetings.

(b) The approved supervisor and trainee shall have at least two individual supervision meetings each month.

(c) The approved supervisor and trainee shall have at least one in-person supervision meeting each month.

(d) The length of each supervision meeting will be determined jointly by the approved supervisor and trainee, consistent with the trainee's education, experience, and skill level.

(4) Within the first week of a supervisor-trainee relationship, the supervisor and trainee shall develop a written plan for supervision and professional development that includes:

(a) Clinical development goals consistent with the trainee's education, experience, and skill level including, if applicable, prior experience earned at a different workplace under a different approved supervisor, as required in WAC 246-811-047;

(b) Ethical standards and expectations, including a detailed review of an industry-recognized code of ethics, such as the NAADAC or NASW code of ethics;

(c) Identification of the appropriate trainee-to-client ratio, consistent with the trainee's education, experience, and skill level;

(d) Identification of an alternate supervisor, if possible, in case the primary supervisor is unavailable for consultation; and

(e) Review of the trainee's academic progress and identification of appropriate training to assist the trainee in professional skills and competency development.

(5) The plan identified by the approved supervisor and trainee under subsection (4) of this section shall be updated and reviewed at least quarterly to track progress and reflect the trainee's development of clinical skills, education, and experience.

(6) An approved supervisor must attest to the department that the supervisee has demonstrated competency in the areas listed in WAC 246-811-047(2) on forms provided by the department.

WAC 246-811-049 Approved supervisors. (1) An approved supervisor is a certified substance use disorder professional who meets the requirements of this section. Out-of-state experience must be earned under the supervision of a person who meets or exceeds the requirements of a certified substance use disorder professional in the state of Washington, and who would be eligible to take the examination required for certification.

(2) An approved supervisor must have at least one year, 2,000 hours, of experience as a certified substance use disorder professional, not including time as a trainee. The approved supervisor's substance use disorder professional certification shall not be subject to ongoing disciplinary action or restrictions.

(3) An approved supervisor must complete at least 28 hours of industry-recognized clinical supervisor training before or within their first year providing supervision to substance use disorder professional trainees.

(4) An approved supervisor may not be a blood or legal relative, significant other, cohabitant of the supervisee, or someone who has acted as the supervisee's primary counselor.

(5) A substance use disorder professional trainee (SUDPT) must receive documentation of his or her approved supervisor's qualifications before training begins.

(6) An approved supervisor or other certified substance use disorder professional must review and sign all substance use disorder professional trainee clinical documentation.

(7) An approved supervisor is responsible for all patients assigned to the substance use disorder professional trainee they supervise.

(1) The department shall issue a probationary license to out-of-state applicants seeking licensure in Washington state for substance use disorder professional according to the conditions and restrictions of the reciprocity program established RCW 18.205.140 and this chapter.

(2) The out-of-state license must be from a state or territory identified on a list published by the department as eligible for reciprocity for the purposes of a probationary license for the particular behavioral health profession.

(3) An initial probationary license is valid for one year. To receive an initial probationary license, the applicant must submit to the department a completed application to include:

(a) Verification of their out-of-state license; and

(b) The fee according to WAC 246-811-990.

(4) A probationary license may be renewed a single time and is valid for one year after the date of renewal. To renew a probationary license, the applicant must submit to the department a completed application to include:

(a) Completion of suicide assessment, treatment, and management training according to WAC 246-811-280(1); and

(b) The fee according to WAC 246-811-990.

(5) Continuing education. With the exception of the requirements in subsection (4) of this section, continuing education requirements will apply once a probationary licensee transitions to a full license.

(6) Approved supervision. If the department determines a probationary licensee must complete supervised hours of experience as a condition for full licensure, the licensee must complete the stated hours under an approved supervisor according to the conditions of this chapter.
