Note: This rule does not preempt any federal, state, municipal, or other local authority's regulation of indoor smoking that is more protective than this section.

Definition: Office work environment is an indoor or enclosed occupied space where clerical work, administration, or business is carried out. In addition, it includes:
• Other workplace spaces controlled by the employer and used by office workers, such as cafeterias, meeting rooms, and washrooms.
• Office areas of manufacturing and production facilities, not including process areas.
• Office areas of businesses such as food and beverage establishments, agricultural operations, construction, commercial trade, services, etc.
