WAC 314-55-165 Objections to marijuana license renewals. (1) How can local cities, counties, tribal governments, or port authorities object to the renewal of a marijuana license?

(a) The WSLCB will give governmental jurisdictions approximately ninety days written notice of premises that hold annual marijuana licenses in that jurisdiction that are up for renewal.

(b) Per RCW 69.50.331, if a county, city, tribal government, or port authority wants to object to the renewal of a marijuana license in its jurisdiction, it must submit a letter to the WSLCB detailing the reason(s) for the objection and a statement of all facts on which the objections are based.

(c) The county, city, tribal government, or port authority may submit a written request to the WSLCB for an extension for good cause shown.

(d) This letter must be received by the WSLCB at least thirty days before the marijuana license expires. The objection must state specific reasons and facts that show issuance of the marijuana license at the proposed location or to the applicant business how it will detrimentally impact the safety, health, or welfare of the community.

(e) If the objection is received within thirty days of the expiration date or the licensee has already renewed the license, the objection will be considered as a complaint and possible license revocation may be pursued by the enforcement division.

(f) Objections from the public will be referred to the appropriate city, county, tribal government, or port authority for action under subsection (2) of this section. Upon receipt of the objection, the WSLCB's licensing and regulation division will acknowledge receipt of the objection(s) and forward to the appropriate city, county, tribal government, or port authority. Such jurisdiction may or may not, based on the public objection, request nonrenewal.

(2) What will happen if a city, county, tribal government, or port authority objects to the renewal of a marijuana license? The WSLCB will give substantial weight to a city, county, tribal government, or port authority objection to a marijuana license renewal of a premises in its jurisdiction based upon chronic illegal activity associated with the licensee's operation of the premises. Based on the jurisdiction's input and any information in the licensing file, the WSLCB will decide to either renew the marijuana license, or to pursue nonrenewal.
