

WAC 323-12-100 Coordination of combined state-federal action.

When the department considers actions which also involve federal actions, it shall coordinate the two governmental processes so that only one EIS, or other environmental document, need be prepared for that proposal.

[Statutory Authority: Chapter 43.21C RCW. WSR 87-05-014 (Order 87-01), § 323-12-100, filed 2/11/87.]
