

WAC 332-17-430 Well designation. The owner or operator shall place in a conspicuous location near the well site a sign setting forth the name of the owner or operator, lease name, well number, permit number, and the quarter-quarter section or lot, township, and range of the well location. Such well designation shall maintained until the well has been abandoned.

[Statutory Authority: RCW 79.76.050(2). WSR 79-02-001 (Order), § 332-17-430, filed 1/4/79.]
