

WAC 357-31-640 What is the purpose of the uniformed service shared leave pool? The uniformed service shared leave pool was created so that state employees who are called to service in the uniformed services will be able to maintain a level of compensation and employee benefits consistent with the amount they would have received had they remained in active state service. The pool was also created to allow general government and higher education employees to voluntarily donate their leave to be used by any eligible employee who has been called to service in the uniform services for the purpose set forth herein.
