

WAC 388-76-10783 Water hazards and bodies of water—Resident safety. The adult family home must protect each resident:

(1) From risks associated with water hazards or bodies of water of any depth at the home; and

(2) When accompanying or escorting the resident at other locations where there are water hazards or bodies of water of any depth.

[Statutory Authority: RCW 70.128.040. WSR 09-03-030, § 388-76-10783, filed 1/12/09, effective 2/12/09.]
