WAC 110-15-0012 Verifying consumers' information. (1) DSHS may require the consumer to provide verification of child care subsidy eligibility if DSHS is unable to verify it through agency records or systems. The information and verification provided to DSHS from the consumer must:

- (a) Clearly relate to the request made by DSHS;
- (b) Be from a reliable source;
- (c) Be accurate and complete; and
- (d) If DSHS has reasonable cause to believe the information and verification the consumer provides is unreliable, inaccurate, incomplete, or inconsistent, DSHS may:

- (i) Ask the consumer to provide additional verification that may include a statement from a person who lives outside of the consumer's residence who knows the consumer's circumstances;

- (ii) Send an investigator from the DSHS office of fraud and accountability (OFA) to make an unannounced visit to the consumer's home to verify the consumer's circumstances. Consumer's rights are found in WAC 110-15-0025; or

- (iii) Deny the application, request for reduced copay, or request for additional child care.

(2) Gross income of consumers with more than ninety days of employment must be employer-verified. If the consumer has less than ninety days of employment, the consumer must provide verification from the employer within sixty days from the approval date.

(3) DSHS may only request verification for changes during the family's eligibility period that reduce a copayment or increase the authorized amount of care, if agency records or systems cannot provide verification.

(4) If DSHS is unable to verify household composition of a single-parent household through agency records, the single-parent consumer must provide the name and address of the child's other parent, or declare, under penalty of perjury:

- (a) That the other parent's identity and address are unknown to the consumer; or

- (b) That providing this information will likely result in serious physical or emotional harm to the single-parent consumer or another person residing with the single-parent consumer; and

- (c) Whether the other parent is present or absent in the household.

(5) DSHS will pay for requested verification that requires payment; however, this does not include payment for a self-employed con-

sumer's state business registration or license, which is a cost of doing business.

WAC 110-15-0030 Consumers' responsibilities. When a person applies for or receives WCCC benefits, as a condition of receiving those benefits, the applicant or consumer must:

(1) Give DSHS correct and current information so DSHS can determine eligibility and authorize child care payments correctly;

(2) Choose a provider who meets the requirements of WAC 110-15-0125;

(3) Pay the copayment directly to the child care provider or arrange for a third party to pay the copayment directly to the provider;

(4) If the consumer or a third-party acting on behalf of the consumer fails to make a copayment when due, the consumer must do one or more of the following:

(a) Pay the child care provider the past due copayments;

(b) Provide DSHS with a signed copy of a payment agreement between the consumer and child care provider that includes, but is not limited to, the following information:

(i) A description of the agreed payment plan;

(ii) If applicable, a description of any collection agency action that may be taken by the provider if the consumer fails to comply with the agreed payment plan;

(iii) If applicable, a description of in-kind services in lieu of paying the copayment; and

(iv) If applicable, payment forgiveness from the provider.

(c) Provide DSHS proof that the consumer attempted to make a copayment to the provider, but the licensed provider is no longer in business or the license-exempt in-home/relative provider no longer provides child care. "Proof" includes, but is not limited to, a return receipt associated with a payment that was mailed to the provider that indicates the mailed payment was signed for but not picked up, or a returned, previously mailed payment that was not signed for or accepted.

(5) Pay the provider for child care services when the consumer requests additional child care beyond the current authorization;

(6) Pay the provider for optional child care programs that the consumer requests. The provider must have a written policy in place charging all families for these optional child care programs;

(7) Pay the provider the same late fees that are charged to other families, if the consumer makes a late copayment or picks up the child late;

(8) Cooperate (provide the information requested) with the child care subsidy audit process. If the consumer does not provide the information requested:

(a) A consumer becomes ineligible for WCCC benefits upon a determination of noncooperation;

(b) The consumer remains ineligible until he or she meets child care subsidy audit requirements;

(c) The consumer may become eligible again when he or she meets WCCC requirements in part II of this chapter and cooperates;

(d) Care can begin on or after the date the consumer cooperated and meets WCCC requirements in part II of this chapter.

(9) Provide the information requested by the fraud early detection (FRED) investigator from the DSHS office of fraud and accountability (OFA). If the consumer refuses to provide the information requested within fourteen days, it may affect the consumer's benefits;

(10) Document the child's attendance in child care, or have a person authorized by the consumer to document the child's attendance, by:

(a) Signing the child in on arrival and out at departure, using a full signature and writing the time of arrival and departure, if the provider uses a paper attendance record; or

(b) Electronically recording the child's attendance as instructed, if an electronic system is used by the provider.

(11) Ensure that the consumer's children who receive child care outside of their own home are current on all immunizations required under WAC 246-105-030, except when the parent or guardian provides:

(a) A department of health (DOH) medical exemption form signed by a health care professional; or

(b) A DOH form or similar statement signed by the child's parent or guardian expressing a religious, philosophical or personal objection to immunization.

(12) Ensure that care is provided in the correct home as required by WAC 110-16-0015(3) if the consumer uses an in-home/relative provider, and monitor the in-home/relative provider's quality of care to ensure that the child's environmental, physical, nutritional, emotional, cognitive, safety, and social needs are being met;

(13) Provide the in-home/relative provider with the names, addresses, and telephone numbers of persons who are authorized to pick up the child from care; and

(14) Provide other information and resources as necessary for the consumer's in-home/relative provider to be in compliance with the requirements of chapter 110-16 WAC including, but not limited to, WAC 110-16-0030 and 110-16-0035.

WAC 110-15-0050 Additional requirements for self-employed WCCC consumers. Eligible self-employed WCCC consumers may be eligible, pursuant to WAC 110-15-0190, for up to 16 hours per day of child care for approved self-employment, education, training, and travel hours.

(1) To be considered self-employed, WCCC consumers must:

(a) Earn income directly from the consumers' own trades or businesses, and not from wages paid by employers;

(b) Be responsible to pay the consumers' own self-employment Social Security, applicable state business and occupation taxes, and federal withholding taxes; and

(c) Participate directly in the production of goods or delivery of services that generate the consumers' incomes.

(2) Income received from corporations:

(a) Consumers who only receive income from their ownership or part ownership in a corporation are not considered self-employed. DCYF counts income or payment received from their corporation as unearned income.

(b) DCYF authorizes child care hours based on wages or self-employment income reported on tax documents.

(3) Authorized child care for children of consumers operating home-based businesses must not occur in the consumers' homes.

(4) Consumers receiving TANF who are also self-employed may be eligible for WCCC benefits if:

(a) They have approved self-employment plans in the consumers' individual responsibility plans as outlined in chapter 388-310 WAC;

(b) The number of activity hours of child care benefits consumers receive for self-employment is equal to the number of hours in the consumers' approved plans; and

(c) Income from self-employment while the consumers are receiving TANF is determined by WAC 388-450-0085.

(5) Self-employed consumers not receiving TANF.

(a) Consumers who do not receive TANF cash assistance and request WCCC benefits for self-employment must provide DCYF with:

(i) Statements of the days, hours, and locations of the consumers' work activity;

(ii) For new businesses that are not required to report taxable income, the projected profit and loss statements or statements of anticipated income after expenses;

(iii) For established businesses, state or federal self-employment tax returns or state tax transcripts and forms, including all schedules, for the most current reporting year; and

(iv) Projected profit and loss statements with supporting verifications if self-employment income is expected to be lower than recorded on provided federal or state tax documents.

(b) Consumers with new businesses that do not have federal or state tax documents may be required to provide verification of Washington state tribal, county, or city business or occupation licenses.

(6) Determining approved activity hours for new businesses.

(a) DCYF considers "new businesses" to be businesses that have not had a required federal tax filing.

(b) At application and reapplication, DCYF determines the number of activity hours consumers are eligible to receive based on schedules the consumers provide.

(c) Consumers may be eligible to receive these new-business WCCC benefits only once during consumers' lifetimes.

(7) Determining approved activity hours for existing businesses.

(a) DCYF considers "existing businesses" to be businesses that have been established long enough to file a quarterly state tax return or annual federal tax return, whichever occurs first.

(b) At application and reapplication, DCYF determines the number of activity hours consumers are eligible to receive by:

(i) Dividing consumers' net monthly self-employment incomes by the federal or state minimum wage, whichever is lower, to determine the average monthly hours approved for self-employment activity; and

(ii) Adding any additional approved employment, education, training, or travel hours to the total approved self-employment activity hours.

(8) Self-employment income calculation:

(a) For existing businesses, DCYF:

(i) Counts the net income reported on the federal tax return; or

(ii) Uses the state tax return and may:

(A) Subtract the documented business expenses from the reported gross income; or

(B) Subtracts a \$100 deduction per month from consumers' gross monthly self-employment income.

(b) For existing businesses that have income reductions not reflected on their provided federal or state tax filings, DCYF subtracts the documented business expenses from the reported gross income on the projected profit and loss statements to estimate the monthly income after expenses.

(c) For new businesses, DCYF uses the consumers' projected hours dedicated to their self-employment activity multiplied by federal minimum wage or projected profit and loss statements to estimate their monthly incomes.

(d) DCYF may ask for additional information to verify income or expenses.

(9) Both parents or guardians in two-parent or guardian families must separately meet the eligibility requirements for child care.

WAC 110-15-0065 Calculation of income. The department uses a consumer's countable income when determining income eligibility and copayment. A consumer's countable income is the sum of all their income listed in WAC 110-15-0060 minus any child support paid out through a court order, division of child support administrative order, or tribal government order.

- (1) To determine a consumer's income, the department must either:
 - (a) Calculates an average monthly income by:
 - (i) Determining the number of months, weeks, or pay periods it took the consumer's WCCC household to earn the income and dividing the income by the same number of months, weeks or pay periods; or
 - (ii) Accepting the employer's statement of current or anticipated wages for future income determination if the past wages are no longer reflective of the current income; or
 - (b) Use the best available estimate of the consumer's WCCC household's current income when the consumer begins new employment and has less than three months of wages as:
 - (i) Verified by the consumer's employer; or
 - (ii) Provided by the consumer through a verbal or written statement documenting the new employment at the time of application, reapplication or change reporting, and wage verification within 60 calendar days of the department's request.
- (2) If a consumer receives a lump sum payment, such as money from the sale of property or back child support payment, in the month of application or during the consumer's WCCC eligibility:
 - (a) The department must:
 - (i) Calculate a monthly amount by dividing the lump sum payment by 12; and
 - (ii) Add the monthly amount to the consumer's expected average monthly income for the:
 - (A) Month it was received; and
 - (B) Remaining months of the current eligibility period; and
 - (b) To remain eligible for WCCC the consumer must meet WCCC income guidelines after the lump sum payment is applied.
 - (3) Active recipients of the supplemental nutrition assistance program are income eligible.

WAC 110-15-0190 WCCC benefit calculations. (1) DCYF determines the amount of care consumers may receive at application or reapplication. Once the care is authorized, the amount will not be reduced during the eligibility period unless:

- (a) Consumers request reductions;
- (b) The care is for school-aged children;
- (c) The authorization was for additional care needed for less than the entire length of the authorization period;
- (d) The care was authorized by child protective services (CPS) or child welfare services (CWS) and is part of children's case plans under WAC 110-15-4510; or
- (e) Incorrect information was given at application or reapplication.

(2) For parents age 21 years or younger who are attending high school or working towards completing a high school equivalency certificate, DCYF will authorize care based only on their student activity schedules.

(3) To determine the amount of weekly hours of care needed, DCYF reviews the child care scheduled with providers, and:

- (a) Consumers' participation in approved activities and the number of hours their children attend school, including home school, which will reduce the amount of care needed; or
- (b) The days and times that approved activities overlap in a two parent or guardian household, and only authorize care during those overlapping times. Consumers are eligible for full-time care if overlapping care totals 110 hours in one month.
- (c) Parents or guardians in two parent or guardian households who are not able to care for their children under WAC 110-15-0020 are considered by DCYF to be unavailable for care, regardless of their schedules.

- (3) Licensed or certified center child care is authorized as follows:
- (a) Full-time care is authorized when consumers participate in approved activities at least 110 hours per month.
 - (b) Twenty-three full-day units per month will be authorized when children are in care five or more hours per day.
 - (c) Thirty half-day units per month will be authorized when children are in care less than five hours per day.
 - (d) Forty-six half-day units per month will be authorized during the months of June, July, and August for school-aged children who are in care for five or more hours per day.
- (4) Licensed family home child care is authorized as the following monthly units of care:
- (a) **Full-time monthly unit** of care, equal to 22 full day units, is authorized when:
 - (i) WCCC or SCC consumers participate in approved activities at least 110 hours per month or full-time care is determined to be appropriate and included in a CPS or CWS case plan; and
 - (ii) Their children have scheduled care with a single provider at least 110 hours per month.
 - (b) **Part-time monthly unit** of care, equal to the actual anticipated full- and half-day units of care needed averaged over a 12-month period, is authorized when the care scheduled with providers is less than 110 hours per month.
 - (c) **Full-time partial-day monthly unit** is authorized when school-age children attend care in a licensed family home and meets the criteria in subsection (5) of this section.
 - (d) **Part-time partial-day monthly unit** is authorized when school-age children attend care in a licensed family home before and after school and do not meet the criteria for a full-time partial-day monthly unit.
- (5) **Additional monthly units** of care may be authorized when:
- (a) Consumers request an authorization for additional care;
 - (b) The need for care is verified;
 - (c) The care is needed to supplement an existing monthly unit for unexpected care needed for an approved activity limited to the time frame needed, not to exceed three months;
 - (d) For actual anticipated overtime when the overtime is included when determining eligibility for child care; or
 - (e) For sleep time.
- (6) Full-time partial-day monthly unit. A single partial-day monthly unit equal to 17 partial days and five full days is authorized for school-age children attending a licensed family home child care when consumers have at least 110 hours of approved activity per month, and their children are:
- (a) Authorized for care with only one provider;
 - (b) Scheduled for care of 110 hours or more in July and August;
 - (c) In care less than five hours on a typical school day; and
 - (d) Need care before and after school.
- (7) When determining part-time care for families using licensed providers when their activity or amount of care needed is less than 110 hours per month:
- (a) A full-day unit is calculated for each day of care of at least five hours;
 - (b) A half-day unit will be calculated for each day of care that is less than five hours; and

(c) A partial-day unit is calculated for each day of care in a licensed family home when:

- (i) Their children are in care before and after school; and
- (ii) The total care for the day is less than five hours.

(8) Full-time care for families using in-home/relative providers is authorized when consumers participate in approved activities at least 110 hours per month:

(a) Two hundred thirty hours of care are authorized when their children are in care five or more hours per day;

(b) One hundred fifteen hours of care is authorized when their children are in care less than five hours per day;

(9) Care cannot exceed 16 hours per day, per child.

(10) When determining part-time care for families using in-home/relative providers:

(a) Under the provisions of subsection (2) of this section, DCYF authorizes the number of hours of care needed per month when the activity is less than 110 hours per month; and

(b) The total number of authorized hours and contingency hours claimed cannot exceed 230 hours per month.

(11) DCYF determines the allocation of hours or units for families with multiple providers based upon the information received from the parents or guardians.

(12) DCYF may authorize more than the state rate and up to the provider's private pay rate if:

(a) The parent or guardian is a WorkFirst participant; and

(b) Appropriate child care, at the state rate, is not available within a reasonable distance from the approved activity site. "Appropriate" means licensed or certified child care under WAC 110-15-0125, or an approved in-home/relative provider under WAC 110-16-0010. "Reasonable distance" is determined by comparing distances other local families must travel to access appropriate child care.

(13) Other fees DCYF may authorize to a provider are:

(a) Registration fees;

(b) Field trip fees;

(c) Nonstandard hours bonus;

WAC 110-15-0210 Tiered reimbursement, quality improvement awards, and dual language enhancements. (1) Providers receiving payment under the WCCC program will receive a tiered reimbursement as outlined in the *Early Achievers Operating Guidelines*, available on DCYF's website.

(2) Quality improvement awards, as described by chapter 43.216 RCW, are reserved for early achievers participating providers offering programs to an enrollment population consisting of at least five percent of children receiving a state subsidy for licensed family homes and at least five percent of nonschool age children receiving subsidy for licensed centers.

(a) Qualifying state subsidy programs include working connections child care (WCCC), seasonal child care (SCC), DCYF child welfare child care programs, homeless child care program (HCCP), ECLIPSE and medic-aid child care programs. Other qualifying programs may include those supported by municipalities, colleges or universities, local school districts, or federally recognized tribal organizations.

(ii) Participants providing subsidized child care supported by municipalities, colleges or universities, local school districts, or federally recognized tribal organizations must present DCYF with information indicating that services were provided under these programs.

(b) Percent subsidy calculations are derived from a monthly average of the number of children receiving qualifying subsidy divided by the monthly average licensed capacity of a specific provider over a 12-month period.

(i) The 12-month period utilized for the above calculation will include the 12 months prior to the formal release of a facility's early achievers rating.

(ii) Facilities must have provided care at least one day in a given month for that month to be utilized in the above calculation.

(3) Eligible providers may receive a dual language enhancement.

(a) For purposes of this subsection, "eligible providers" means providers who:

(i) Accept WCCC, SCC, or CWCC payments;

(ii) Are enrolled in the early achievers program; and

(iii) Meet the requirements for the dual language designation standard described in the *Early Achievers Operating Guidelines*, available on DCYF's website.

 - (e) With respect to license-exempt in-home/relative providers, they bill the state for more than six children at one time for the same hours of care; or
 - (f) With respect to licensed or certified providers, they:
 - (i) Bill the state for more than the number of children in the provider's licensed capacity; or

PROGRAM VIOLATIONS AND SUSPECTED FRAUD

WAC 110-15-0277 Provider program violations and suspected fraud.

Eligible child care providers described in WAC 170-290-0125 must comply with all provider responsibilities listed in WAC 170-290-0034. Failure to comply causing a provider overpayment will result in a program violation finding and may cause the agency to impose sanctions.

(1) Administrative errors are payment discrepancies which result from a departmental mistake. Provider overpayments caused by administrative error still require repayment of ineligible amounts. Administrative errors will not result in a finding of a program violation.

(2) An unintentional program violation is an overpayment resulting from a provider's error and not caused with willful knowledge.

(a) An unintentional program violation can include a provider's unfamiliarity with program rules and requirements.

(b) Any unintentional provider error resulting in an overpayment will result in department consultation with the provider.

(c) The department tracks all unintentional program violations in order to identify program improvement areas.

(d) Unintentional program violations require provider repayment of ineligible funds.

(3) An intentional program violation is an overpayment caused by a provider's willful failure to comply with program rules.

(a) Any repeated misrepresentation of invoices or other information submitted to the department or failure to submit documentation upon request is an intentional program violation.

(b) If a provider has been consulted by the department for billing concerns and overpayment but then continues to have overpayment findings, then the department will impose sanctions as listed in WAC 170-290-0279.

(c) Overpayments caused by intentional program violations require provider repayment of ineligible funds.

(d) Beginning March 1, 2018, all intentional program violations will be cited by the department, and providers with more than three instances of intentional program violations will be subject to review for program ineligibility.

(i) The department has discretion to impose additional sanctions if a provider has more than three instances of intentional program violations.

(ii) As per WAC 170-290-0280 and 170-290-0285, a provider can dispute the department's finding of program ineligibility.

(4) Suspected fraud is a departmental determination resulting in referral to the office of fraud and accountability (OFA) at the department of social and health services (DSHS).

(a) Program fraud is defined in RCW 74.04.004. Program staff at the department of early learning and DSHS do not criminally investigate fraud. OFA conducts criminal investigations and pursues prosecution of program fraud.

(b) Departmental program staff will identify instances of suspected fraud when facts available to the department indicate the provider willfully violated program rules. This includes repeated instances of misrepresentation.

(c) Program staff will not inform the provider when suspected fraud is referred to OFA.

(d) Providers convicted for program fraud are permanently barred from future participation in the program as a child care provider or consumer.

(i) A consumer becomes ineligible for SCC benefits upon a determination of noncooperation and remains ineligible until he or she meets child care subsidy audit requirements.

(ii) The consumer may become eligible again when he or she meets SCC requirements in Part III of this chapter and cooperates.

(iii) Care can begin on or after the date the consumer cooperated and meets SCC requirements in Part III of this chapter.

(h) Ensure that their children who receive subsidized child care outside of their own home are current on all immunizations required under WAC 246-105-030, except when the parent or guardian provides:

(i) A department of health (DOH) medical exemption form signed by a health care professional; or

(ii) A DOH form or similar statement signed by the child's parent or guardian expressing a religious, philosophical or personal objection to immunization;

(i) Pay the copayment directly to the child care provider or arrange for a third party to pay the copayment directly to the provider; and

(j) Pay the provider the same late fees that are charged to other families, if the consumer pays a copayment late or picks up the child late.

(2) In cases of overdue or past due copayments, the consumer, as a condition of maintaining eligibility, must do one of the following:

(a) Pay past or overdue copayments;

(b) Give DSHS a written agreement between the provider and consumer to verify that copayment arrangements include one or more of the following:

(i) An installment payment plan;

(ii) A collection agency payment plan;

"Proof" includes, but is not limited to, a signed return receipt for correspondence not responded to, or a returned document that was not picked up.
